APPLICATION

As we've all learned, disinfecting helps prevent the spread of germs.

The EPIX360 is the most effective handheld electrostatic disinfectant sprayer in the world. Built to work, this cordless sprayer is powerful, durable, and provides breakthrough application performance – more coverage, less waste, and better results. Simply fill the 8-ounce tank with a safe EPA-approved water-soluble disinfectant, pull the trigger, and the EPIX360 goes to work laying down an even, uniform and wraparound layer of germ-killing power up to 4,000 high-touch point sq.ft.

Plus, with the advanced EPIX Charge Detect™ Technology, grounding is never an issue. And, unlike other electrostatic equipment, the EPIX360 works flawlessly and consistently, greatly improving transfer efficiency and eliminating shock and electrical hazards.

Lightweight at just 2.45 pounds bare and only 3.0 pounds fully loaded, the EPIX360 is lightweight and easy to operate. It's the most compact high performance electrostatic sprayer you can get your hands on.

A complete system includes sprayer, tank, two batteries, charger, carrying case, training toolkit and 1-year warranty.

Safer environments. Healthier spaces. Healthier people.

The EPIX360 is the most effective handheld electrostatic disinfectant sprayer in the world. Built to work, this cordless sprayer is powerful, durable, and provides breakthrough application performance – more coverage, less waste, and better results.

Simply fill the 8-ounce tank (optional 13.oz tank available) with a safe EPA-approved water-soluble disinfectant, pull the trigger, and the EPIX360 goes to work laying down an even, uniform and wraparound layer of germ-killing power up to 4,000 high-touch point sq.ft (using 8.oz tank). Plus, with the advanced EPIX Charge Detect™ Technology, grounding is never an issue. And, unlike other electrostatic equipment, the EPIX360 works flawlessly and consistently, greatly improving transfer efficiency and eliminating shock and electrical hazards.

Lightweight at just 2.45 pounds bare and only 3.0 pounds fully loaded when equipped with the 8.oz tank, the EPIX360 is lightweight and easy to operate. It's the most compact high-performance electrostatic sprayer you can get your hands on.

A complete system includes sprayer, 8.oz tank, two batteries, charger, carrying case, training toolkit and 1-year warranty.

1 TruTechnology: EPIX Charge Detect Technology

2 TruConfidence: Patented. Proven. Trusted.

3 TruCharge: Best Performance

4 TruDesign: Safer Operation

5 TruAssurance: User Safety

6 TruCost: Lower Total Cost of Ownership

The EPIX360 is built around our proprietary EPIX Charge Detect™ Technology. Built to work, this electrostatic sprayer is powerful, durable, and provides breakthrough application performance - more coverage, less waste, and better results. Simply fill the tank with any water-soluble chemical, pull the trigger and the EPIX360 lays down an even, uniform and wraparound layer of your preferred disinfectant up to 4,000 high-touch point square feet with 8.oz tank.
