

CAUTION! READ BEFORE USE!

IMPORTANT

Caution: Turning or lifting a tank for insertion or removal without applying slight downward pressure prior to locking or removal can damage the tank or the system.

Tank insertion: Do not drop tank into the tank well. Carefully apply slight downward pressure on the tank and turn **clockwise** $\frac{1}{4}$ of a turn into the locking position.

Tank removal: Carefully apply slight downward pressure on the tank and turn **counterclockwise** $\frac{1}{4}$ of a turn to unlock before lifting to remove.

Please read the manual and quick start guide before use.
